POLICY FOR STUDENT RESIDENCY CLASSIFICATION FOR ADMISSION
TUITION AND CHARGE-DIFFERENTIAL PURPOSES

(Approved by the Board of Regents, August 28, 1990)

I. POLICY

It is the policy of the Board of Regents of the University of Maryland System to recognize the categories of
in-state and out-of-state students for purposes of admission, tuition, and charge differentials at those
institutions where such differentiation has been established. The student is responsible for providing the
information necessary to establish eligibility for in-state status
Students who are financially independent or financially dependent, shall have their residency classification determined on the basis of permanent residency. For purposes of this policy, a permanent residence is a person’s permanent place of abode as determined by the following criteria.* Such students will be assigned in-state status for admission, tuition, and charge differential purposes only if the student (if financially independent) or the student’s parent, guardian or spouse (in the case of a financially dependent student):

1. Owns or rents and occupies living quarters in Maryland. There must exist a genuine deed or lease in the individual’s name reflecting payments/rents and terms typical of those in the community at the time executed. Persons not having such a lease may submit an affidavit reflecting payments/rents and terms as well as the name and address of the person to whom payments are made which may be considered as meeting this condition. As an alternative to ownership or rental of living quarters in Maryland, a student may share living quarters in Maryland which are owned or rented and occupied by a parent, legal guardian, or spouse;

2. Maintains within Maryland substantially all personal property;

3. Pays Maryland income tax on all earned taxable income including all taxable income earned outside the State;

4. Registers all owned motor vehicles in Maryland in accordance with Maryland law;

5. Possesses a valid Maryland driver’s license, if licensed, in accordance with Maryland law;

6. Is registered in Maryland, if registered to vote;

7. Receives no public assistance from a state other than the State of Maryland or from a city, county or municipal agency other than one in Maryland; and

8. Has a legal ability under federal and Maryland law to reside permanently without interruption in Maryland.

*ALL of these criteria must be met for a period of one consecutive year before an applicant is eligible for in-state status.
